Monday—Friday, 9am—5pm

info@heroescenter.org; www.heroescenter.org

Heroes Center is a boots-on-the-ground organization, not just voices online, committed to restoring honor and rebuilding lives for veterans. Based in High Point, NC, we walk alongside veterans through every step of their transition to civilian life. Our flagship program, **Operation Next Step**, provides practical support including short-term housing assistance, career counseling, life-skills coaching, and **job placement services** to help veterans build stability and confidence. **Vet 2 Vet** offers recreational therapy and peer connection through fishing and outdoor experiences, with plans for ADA-accessible pontoon outings so veterans of all abilities can participate. Through **Community Outreach**, we strengthen camaraderie with fellowship events like **Brewed Bonds**, **Golden Vets Morning Muster**, and **Flames for Freedom**, while partnering locally to deliver welcome-home kits and additional resources. We also maintain a robust **Resources Hub** and host special events that connect veterans directly to VA healthcare, benefits, employment opportunities, and mental-health screenings. At Heroes Center, we don't just talk about change, we show up, stand beside our veterans, and help them take their next step forward.
